Inclusion

Additional details

As part of Micron’s commitment to transparency, we are publicly disclosing our Equal Employment Opportunity diversity and pay data. We hope that by releasing this data, we’ll encourage others in our industry to do the same. Our data demonstrates that we have made progress, but we still have work to do in certain areas. Read a detailed list of our global diversity, equality and inclusion (DEI) commitments and the actions we are taking in our [fiscal year 2022 DEI report, We Are Micron](#).

- EEO-1 Component 1 diversity and Component 2 pay data applies only to U.S. team members.

- Information collected is from a November 2021 snapshot of W2 box 1 earnings. W2 earnings may vary due to start date, 401k contributions, shift differentials, and other factors.

Note that job categories in the EEO-1 reports are not aligned to Micron’s workforce or compensation structure.
